

FALL REGISTRATION INFORMATION

MONDAY - MAY 6th, 2019 - 8:30 AM... Fall Registration begins. Do **NOT** be concerned with the lines as it usually moves very fast if all the forms are made out ahead of time. On the forms, please leave the "**CLASS ASSIGNED**" space empty. A \$39.00 Registration Fee/Liability Insurance payment will reserve your spot for next year. As a current registered gymnast you and your family will have a **one** week priority before we open registration to public and to the waiting list on May 13th. In **ADVANCE** you can fill out your forms and leave them at the front desk a week ahead and you will get first day priority at the end of the of the first day. Those waiting in lines are on a first come - first served basis. Wait list siblings may register at this time.

RECOMMENDED LEVEL CARDS:

The **FALL 2019 RECOMMENDED LEVEL** for your gymnast. All available class selections and times will be posted at the gym starting Monday - April 29th. This way you will be able to match up the **RECOMMENDED LEVEL** and a convenient time for your gymnast. We try to offer a variety of classes in a particular hour so parents can arrange car pools where necessary. The definitions of **RECOMMENDED LEVELS** are posted in the gym.

AVAILABLE FORMS:

For your convenience - 2 types of forms will be available starting on Monday - April 29th along with an annual Medical information form. Pick-up the form you desire. The Medical Form is on the back. If you are unsure as to which form, pick one for now, you can always change it up to the start of classes in September. This way you can at least secure your time and class. Also - these forms are now available on our web site under **REGISTRATION (www.readinggymnastics.com)**. Make sure you also download the **Medical Form** as well as it will not be on the back side of the downloaded form.

TYPES OF FORMS: There are 36 weeks of lessons available from Mid-September through Mid-June. We break these down to four - 9 week sessions or one - 10 month automatic billing (yearly). You can choose:

1. **9 Week Session Enrollment Agreement:** You are enrolling the gymnast for a 9 week Session in which you will pay for the whole session at the beginning of September. You will be offered the first refusal for the class spot in November, prior to opening the waiting list.
2. **Yearly (36 WEEKS) Enrollment Agreement:** You are enrolling your gymnast from September through June. You receive a savings rate over the Session rate, plus you can Budget easier. BUT, it is a **commitment** until classes end in mid-June. You will be billed each month for 10 months for your registered classes. We can also automatically bill your Visa, Master Card, Amex or Discover.

REGISTRATION FEE/REFUNDS:

In order to secure your class time, each gymnast pays a \$39.00 registration/liability insurance fee. This is refundable up to August 1st, 2019 as long as we receive your **written notice** of withdrawal from classes **NO** later than August 1st, 2019. After this date you can still withdraw up until the start of classes in September, but you will **NOT** receive a refund of the \$39.00. Refund checks will be mailed out September 25th, 2019. You will receive your first bill in late August for September or Session 1 Class enrollments.

NOTE: Kindergarten switches are already figured in the schedule. Even if you are unsure what the schedule will be, don't hesitate to register as we should be able to switch most students in August as you get your schedules. You can eliminate this problem if you are enrolled in an afternoon K-6 class.
